Regulation 2. Warehouse Licenses

SECTION 1. Applications for licenses or for amendments thereto under the act shall be made to the Secretary upon forms prescribed for the purpose and furnished by the bureau, shall truly state the information therein contained, and shall be signed by the applicant. The applicant shall at any time furnish such additional information as the Secretary, or his designated representative, shall find to be necessary to the consideration of his application.

SEC. 2. A license for the conduct of a warehouse shall not be issued if it be found by the Secretary, or his designated representative, that the warehouse is not suitable for the proper storage of cherries in brine, that the warehouseman is incompetent to conduct such warehouse in accordance with the act and these regulations, or that there is any other sufficient reason within the intent of the act for not issuing such license.

SEC. 3. *Paragraph 1.* Any warehouseman conducting a warehouse licensed or for which application for license has been made shall have and maintain above all exemptions and liabilities net assets liable for the payment of any indebtedness arising from the conduct of the warehouse, to the extent of at least one cent per pound of the maximum number of pounds that the warehouse will accommodate when stored in the manner customary to the warehouse as determined by the chief of the bureau, except that the amount of such assets shall not be less than \$5,000, and need not be more than \$100,000.

Par. 2. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, such warehouses shall be deemed to be one warehouse for the purposes of the assets required under this section. For the purposes of this section only, paid-in capital stock, as such, shall not be considered a liability.

A deficiency in required net assets may be supplied by an increase in the amount of the warehouseman's bond in accordance with regulation 3, section 2, paragraph 2, but in no event may a warehouseman be licensed who has not at least \$5,000 net assets.

SEC. 4. Immediately upon receipt of his license or of any amendment thereto, the warehouseman shall post the same, and thereafter, except as otherwise provided in these regulations, keep it posted until suspended or terminated, in a conspicuous place in the principal office where receipts issued by such warehouseman are delivered to depositors.

SEC. 5. Pending investigation, the Secretary or his designated representative, whenever he deems necessary, may suspend a warehouseman's license temporarily without hearing. Upon written request and a satisfactory statement of reasons therefor, submitted by a warehouseman, the Secretary, or his designated representative, may, without hearing, suspend or cancel the license issued to such warehouseman. The Secretary, or his designated representative, may, after opportunity for hearing when possible has been afforded in the manner prescribed in this section, revoke a license issued to a warehouseman when such warehouseman (a) is bankrupt or insolvent; (b) has parted, in whole, or in part, with his control over the licensed warehouse; (c) is in process of dissolution or has been dissolved; (d) has ceased to conduct such licensed warehouse; or (e) has in any other manner become incompetent or incapacitated to conduct the business of the warehouse. Whenever any of the conditions mentioned in subdivisions (a) to (e) of this section shall come into existence it shall be the duty of the warehouseman to notify the chief of the bureau immediately of the existing condition. Before a license is revoked for any violation of, or failure to comply with, any provisions of the act, or of these regulations, or upon the ground that unreasonable or exorbitant charges have been made for services rendered, the warehouseman involved shall be furnished by the Secretary, or his designated representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with regulation 10, section 4.

SEC. 6. When a license issued to a warehouseman terminates or is suspended or revoked by the Secretary, or his designated representative, it shall be returned to the bureau. At the expiration of any period of suspension of such license, unless it be in the meantime revoked, the dates of the beginning and termination of the suspension shall be indorsed thereon and it shall be returned to the licensed warehouseman to whom it was originally issued, and it shall be posted as prescribed in section 4 of this regulation; provided, that in the discretion of the chief of the bureau a new license may be issued.

SEC. 7. Upon satisfactory proof of the loss or destruction of a license issued to a warehouseman, a duplicate thereof, or a new license, may be issued under the same number.

SEC. 8. No warehouse or its warehouseman shall be designated as licensed under the act and no name or description conveying the impression that it or he is so licensed shall be used, either in a receipt or otherwise, unless such warehouseman holds an unsuspended and unrevoked license for the conduct of such warehouse.

Regulation 3. Warehouse Bonds

SECTION 1. Unless the warehouseman has previously filed with the Secretary the necessary bond required by section 2 of this regulation, he shall file such bond within a time, if any, specified by the secretary or his designated representative, such bond to cover all obligations arising thereunder during the period of the license.

SEC. 2. *Paragraph 1.* Exclusive of any amount which may be added in accordance with paragraphs 2 and 3 of this section, the amount of such bond shall be at the rate of one cent per pound of cherries in brine of the maximum number of pounds that the warehouse will accommodate when stored in the manner customary to the warehouse for which such bond is required, as determined by the chief of the bureau, but not less than \$5,000 nor more than \$50,000. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, and shall desire to give a single bond meeting the requirements of the act and these regulations for said warehouses, such warehouses shall be deemed to be one warehouse for the purposes of the bond required under this regulation.

Par. 2. In case of a deficiency in net assets under regulation 2, section 3, there shall be added to the amount of the bond fixed in accordance with paragraph 1 of this section an amount equal to such deficiency.

Par. 3. If the Secretary, or his designated representative, finds the existence of conditions warranting such action, there shall be added to the amount fixed in accordance with paragraphs 1 and 2 of this section a further amount, fixed by him, to meet such conditions.

SEC. 3. If application is made under regulation 2, section 1, for an amendment to a license and no bond previously filed by the warehouseman under this regulation covers obligations arising during the period of such amendment, the warehouseman, when notice has been given by the Secretary, or his designated representative, that his application for such amendment will be granted upon compliance by such warehouseman with the act, shall file with the Secretary, within a time, if any, fixed in such notice, a bond complying with the act, unless bond in sufficient amount has been filed since the filing of such application. In the discretion of the Secretary, or his designated representative, a properly executed instrument in form approved by him, amending, extending, or continuing in force and effect the obligations of a valid bond previously filed by the warehouseman and otherwise complying with the act and these regulations, may be filed in lieu of a new bond.

SEC. 4. Whenever a continuous form of license has been issued, such license shall not be effective beyond one year from its effective date unless the warehouseman shall have filed a new bond in the required amount with, and such bond shall have been approved by, the Secretary, or his designated representative, prior to the date on which that license would have expired had it been issued for but one year, subject to the provisions of section 3 of this regulation.

SEC. 5. No bond, amendment, or continuation thereof shall be deemed accepted for the purpose of the act and these regulations until it has been approved by the Secretary, or his designated representative.

Regulation 4. Warehouse Receipts

SECTION 1. Paragraph 1. Every receipt, whether negotiable or nonnegotiable, issued for cherries in brine stored in a warehouse shall, in addition to complying with the requirements of section 18 of the act, embody within its written or printed terms the following: (*a*) The name of the licensed warehouseman and the designation, if any, of the warehouse; (*b*) the license number of the warehouse; (*c*) a statement whether the warehouseman is incorporated or unincorporated, and if incorporated, under what laws; (*d*) in the event the relationship existing between the warehouseman and any depositor is not that of strictly disinterested custodianship, a statement setting forth the actual relationship; (*e*) the lot number given to each lot of cherries in brine, in accordance with regulation 5, section 9; (*f*) a statement conspicuously placed, whether or not the cherries in brine are insured, and if insured, to what extent, by the warehouseman against loss by fire or lightning; (*g*) a blank space designated for the purpose in which the kind of cherries in brine shall be stated; (*h*) a blank space where the identifying marks may be stated; (*i*) blank spaces in which to indicate the gross, tare, and net weight; (*j*) the number of barrels or containers in each lot; (*k*) the words "Negotiable" or "Nonnegotiable"; and (*l*) whether the receipt is an "original," "duplicate," or "copy," according to the nature of the receipt, clearly and conspicuously printed or stamped thereon.

Par. 2. Every receipt, whether negotiable or nonnegotiable, issued for cherries in brine stored in a warehouse shall specify a period not exceeding one year for which the cherries in brine are accepted for storage under the act and these regulations. Upon demand and surrender of the old receipt by the lawful holder thereof at or before the expiration of the period specified, the warehouseman, upon such lawful terms and conditions as may be granted by him to other depositors of cherries in brine in his warehouse, if he then continues to act as a licensed warehouseman, may issue a new receipt for a further specified period not exceeding one year; provided it is actually determined by a licensed inspector that the cherries in brine have not deteriorated and that they are in proper condition for storage for another year.

Par. 3. The grade stated in a receipt issued for cherries in brine shall be stated as determined by a licensed grader who graded the cherries in brine on the basis of samples actually drawn not more than 10 days preceding the issuance of such receipt, and such receipt shall embody within its written or printed terms the following: (*a*) That the cherries in brine covered by the

receipt were inspected and graded by a licensed inspector and grader, and (b) a form of indorsement which may be used by the depositor, or his authorized agent, for showing the ownership of, and liens, mortgages, or other encumbrances on, the cherries in brine covered by the receipt.

Par. 4. Whenever the grade of cherries in brine is stated in a receipt issued for cherries in brine stored in a warehouse, such grade shall be stated in accordance with regulation 8.

Par. 5. If a warehouseman issues a receipt omitting the statement of grade on request of the depositor as permitted by section 18 of the act, such receipt shall have clearly and conspicuously stamped or written on the face thereof the words "Not graded on request of depositor."

Par. 6. If a warehouseman issues a receipt under the act omitting any information not required to be stated and for which a blank space is provided in the form of the receipt, a line shall be drawn through such space to show that such omission has been made by the warehouseman.

SEC. 2. Either actual copies or skeleton copies of all receipts shall be made, and all copies, except skeleton copies or those issued in lieu of the original, in case of lost or destroyed receipts, shall have clearly and conspicuously printed or stamped thereon the words "Copy—Not negotiable."

SEC. 3. *Paragraph 1.* In case of a lost or destroyed receipt another receipt upon the same terms, subject to the same conditions, and bearing on its face the number and the date of the receipt in lieu of which it is issued and a plain and conspicuous statement that it is a duplicate issued in lieu of a lost or destroyed receipt, may be issued upon compliance with the conditions set out in paragraph 2 of this section.

Par. 2. Before issuing such duplicate receipt the warehouseman shall require the depositor or other person applying therefor to make and file with the warehouseman (a) an affidavit showing that he is lawfully entitled to the possession of the original receipt, that he has not negotiated or assigned it, how the original receipt was lost or destroyed, and, if lost, that diligent effort has been made to find the receipt without success and (b) a bond in amount double the value, at the time the bond is given, of the cherries in brine represented by the lost or destroyed receipt. Such bond shall be in the form approved for the purpose by the Secretary or his designated representative, shall be conditioned to indemnify the warehouseman against any loss sustained by reason of the issuance of such duplicate receipt, and shall have as surety thereon preferably a surety company which is authorized to do business and is subject to service of process in a suit on the bond in the State in which the warehouse is located, or at least two individuals who are residents of such State and each of whom owns real property therein having a value, in excess of all exemptions and encumbrances, equal to the amount of the bond.

SEC. 4. *Paragraph 1.* No receipt shall be issued by a licensed warehouseman except it be (1) in the form prescribed by the chief of the bureau; (2) upon distinctive paper specified by him; (3) printed by a printer with whom the United States has a subsisting contract and bond for such printing; and (4) on paper manufactured by and procured from a manufacturer with whom the United States has a subsisting contract and bond for the manufacture of such paper.

Par. 2. Upon the expiration, suspension, or revocation of his license the warehouseman shall deliver to the department all unissued warehouse receipts, and one year after the date of said expiration, suspension, or revocation of the license said receipts may be destroyed without liability to the warehouseman, or prior thereto if authorized by the warehouseman.

SEC. 5. If a warehouseman deliver a part only of a lot of cherries in brine for which he has issued a negotiable receipt under the act, he shall take up and cancel such receipt and issue a new receipt in accordance with these regulations for the undelivered portion of the cherries in brine. The new receipt shall show the date of issuance and also indicate the number and date of the receipt first issued.

SEC. 6. Except as permitted by law or by these regulations, a warehouseman shall not deliver cherries in brine for which he has issued a negotiable receipt until the receipt has been returned to him and canceled, and shall not deliver cherries in brine for which he has issued a nonnegotiable receipt until such receipt has been returned to him or he has obtained from the person lawfully entitled to such delivery, or his authorized agent, a written order therefor.

Before delivery is made of the last portion of a lot of cherries in brine covered by a nonnegotiable receipt the receipt itself shall be surrendered for cancellation.

SEC. 7. Each person to whom a nonnegotiable receipt is issued shall furnish the warehouseman with a statement in writing indicating the person or persons having power to authorize delivery of cherries in brine covered by such receipt, together with the bona fide signature of such person or persons. No licensed warehouseman shall honor an order for the release of cherries in brine covered by a nonnegotiable receipt until he has first ascertained that the person issuing the order has authority to order such release and that the signature of the releasing party is genuine.

SEC. 8. No warehouseman shall, directly or indirectly, by any means whatsoever, compel or attempt to compel, the depositor of any cherries in brine stored in his licensed warehouse to request the issuance of a receipt omitting the statement of grade.

Regulation 5. Duties of Licensed Warehouseman

SECTION 1. *Paragraph 1.* No licensed receipt shall be issued for any cherries in brine until at least 10 days have elapsed following the placing of the product in barrels, nor until it has been inspected by a licensed inspector and found to be in proper condition for storage. Under no conditions shall any cherries in brine known to be in violation of either State or Federal food and drug laws be accepted for storage.

Par. 2. Each licensed warehouseman shall with the licensed inspector examine as frequently as necessary all barrels in his licensed stock to see that the product is covered with solution and that the solution is maintained at the proper strength to preserve the product.

Par. 3. During the first 10 days following receipt for storage the warehouseman shall turn each barrel at least once daily.

SEC. 2. Paragraph 1. Each warehouseman, when so requested in writing by the depositor of or the lawful holder of the receipt for cherries in brine, shall, to the extent to which, in the exercise of due diligence, he is able to procure such insurance, keep such cherries in brine while in his custody insured in his own name, or arrange for their insurance otherwise, to the extent so requested, against loss or damage by fire and lightning. When insurance is not carried in the warehouseman's name the receipt shall show that the cherries in brine are not insured by him. Such insurance shall be covered by lawful policies issued by one or more insurance companies authorized to do such business, and subject to service of process in suits brought, in the State where the warehouse is located. If the warehouseman is unable to procure such insurance to the extent requested, he shall, orally or by telegraph or by telephone and at his own expense, immediately notify the person making the request. Nothing in this section shall be construed to prevent a warehouseman from adopting a rule that he will insure all products tendered for storage.

Par. 2. Each warehouseman shall keep exposed conspicuously in the place prescribed by regulation 2, section 4, and at such other place as the chief of the bureau, or his representative may from time to time designate, a notice stating briefly the conditions under which cherries in brine will be insured against loss or damage by fire and lightning.

Par. 3. Each warehouseman shall take promptly such steps as may be necessary and proper to collect any moneys which may become due under contracts of insurance entered into by him for the purpose of meeting the requirements of these regulations, and shall, as soon as collected, pay promptly to the persons concerned any portion of such moneys which they may be entitled to receive from him.

SEC. 3. Each warehouseman shall, in accordance with his contracts with insurance and bonding companies for the purpose of meeting the insurance and bonding requirements of these regulations, pay such premiums, permit such reasonable inspections and examinations, and make such reasonable reports as may be provided for in such contracts.

SEC. 4. Each warehouseman shall at all times exercise such care in regard to the cherries in brine in his custody as a reasonably careful owner would exercise under the same circumstances and conditions. If barrels are stored flat on top of each other, suitable dunnage comparable to studding measuring not less than 2 by 4 inches shall be placed between the barrels so as to prevent

the barrels resting upon each other. If barrels are tiered on end, they shall not be carried more than two barrels high.

SEC. 5. If at any time a warehouseman shall handle cherries in brine other than for storage, or shall handle or store any other commodity, he shall so protect the same and otherwise exercise such care with respect to them as not to endanger the cherries in brine in his custody as a licensed warehouseman or impair his ability to meet his obligations and perform his duties under the act and these regulations. If the warehouseman shall store commodities other than those for which he is licensed, a nonlicensed receipt shall be issued, which shall contain in its terms a provision that said commodities are accepted for storage only until such time as the space which they may occupy may be needed for products for the storage of which the warehouseman is licensed. Under no circumstances shall any commodities for the storage of which the warehouseman is not licensed be stored if the storage of such commodities might adversely affect the commercial value of or impair the insurance on products covered by licensed receipts.

SEC. 6. Each warehouseman shall provide a metal fireproof safe, a fireproof vault, or a fireproof compartment in which he shall keep, when not in actual use, all records, books, and papers pertaining to the warehouse, including his current receipt book, copies of receipts issued, and canceled receipts, except that with the written consent of the chief of the bureau or his representative, upon a showing by such warehouseman that it is not practicable to provide such fireproof safe, vault, or compartment, he may keep such records, books, and papers in some other place of safety approved by the chief of the bureau or his representative. All canceled receipts shall be arranged by the warehouseman in numerical order as soon as possible after their cancellation and shall be preserved in numerical order thereafter.

SEC. 7. A warehouseman shall not make any unreasonable or exorbitant charge for service rendered. Before a license to conduct a warehouse is granted under the act the warehouseman shall file with the bureau a dated copy of his rules and schedule of charges to be made by him if licensed. Before making any change in such rules or schedule of charges, he shall file with the bureau a statement in writing showing the proposed change and the reasons therefor. Each warehouseman shall keep exposed conspicuously in the place prescribed by regulation 2, section 4, and at such other places, accessible to the public, as the chief of the bureau or his representative may from time to time designate, a copy of his current rules and schedule of charges.

SEC. 8. *Paragraph 1.* Each warehouse shall be kept open for the purpose of receiving cherries in brine for storage and delivering cherries in brine out of storage every business day for a period of not less than six hours between the hours of 8 a. m. and 6 p. m., except as provided in paragraph 2 of this section. The warehouseman shall keep conspicuously posted on the door of the public entrance to his office and to his warehouse a notice showing the hours during which the warehouse will be kept open, except when such office or warehouse is kept open continuously from 8 a. m. to 6 p. m.

Par. 2. If the warehouse is not to be kept open as above required, the notice shall state the period during which it is to be closed and the name and address of an accessible person authorized to make delivery upon lawful demand and surrender of the receipt.

SEC. 9. Each warehouseman shall, upon acceptance for storage of any lot of cherries in brine, so store the same that the identity of the lot will be preserved. To each lot of cherries in brine he shall assign a lot number and shall affix a stack card or identification tag, which shall be at all times visible and shall identify the lot.

SEC. 10. The warehouseman shall indicate on the stack card or identification tag mentioned in section 9 of this regulation (a) the lot number assigned to the lot of cherries in brine; (b) the number of barrels or containers in the lot; (c) the size of the barrels or containers; (d) the identifying marks on the containers; (e) the number of the receipt issued covering the lot; (f) the date they entered storage and (g) the kind and grade of cherries in brine when grade is determined.

SEC. 11. Each warehouseman shall use for his warehouse a system of accounts, approved for the purpose by the chief of the bureau, or his authorized representative, which shall show for each lot of cherries in brine the name and address of the depositor, the lot number mentioned in section 9 of this regulation, the identifying marks of the lot, the number and size of containers,

the grade, when grade is required to be or is ascertained, the dates received for and delivered out of storage, the receipts issued and canceled, a separate record for each depositor, and such accounts shall include a detailed record of all moneys received and disbursed and of all effective insurance policies.

SEC. 12. Each warehouseman shall, from time to time, make such reports as the bureau may require, on forms prescribed and furnished for the purpose by the bureau, concerning the condition, contents, operation, and business of the warehouse.

SEC. 13. Each warehouseman shall keep on file, as a part of the records of the warehouse, for such period as may be prescribed by the bureau, an exact copy of each report submitted by such warehouseman under this regulation.

SEC. 14. Each warehouseman, when requested by the bureau, shall forward his canceled receipts for auditing to Washington or to such field offices of the bureau as may be designated from time to time. For the purpose of this section, only such portion as the bureau may designate of each canceled receipt, numbered to correspond with the actual receipt number, need be submitted.

SEC. 15. Each warehouseman shall permit any officer or agent of the department, authorized by the Secretary for the purpose, to enter and inspect or examine at any time any warehouse for the conduct of which such warehouseman holds a license, the office thereof, the books, records, papers, and accounts relating thereto, and the contents thereof, and shall furnish such officer or agent, when he so requests, the assistance necessary to enable him to make such inspection or examination under this section.

SEC. 16. The apparatus used for determining the weight, quantity, or quality stated in a receipt or certificate, or for testing the strength of preserving solutions, shall be subject to examination by any officer or agent of the department employed for such purpose. If the bureau shall disapprove such apparatus, it shall not thereafter, unless such disapproval be withdrawn, be used for the purposes of the act and these regulations.

SEC. 17. Each warehouseman shall keep the stock stored in his warehouse in an orderly manner, shall provide sufficient aisle space so as to permit easy and ready access to any and all lots of cherries in brine stored therein, and shall so store each lot as to facilitate sampling and inspection for condition. The warehouseman shall at all times keep his warehouse clean.

SEC. 18. The warehouseman shall not store cherries in brine in close proximity to steam or hot-water radiators, or immediately under a metal roof.

SEC. 19. The warehouseman shall take such steps as can be consistently taken to so ventilate his storage that a uniformly cool temperature will be maintained in his warehouse, and he shall maintain such temperatures as are generally considered proper to preserve the quality of the product.

SEC. 20. The warehouseman shall provide heat when necessary to avoid freezing.

SEC. 21. *Paragraph 1.* Every warehouseman operating a "field" or "custodian" warehouse shall, during the life of his license, display and maintain appropriate signs on the licensed warehouse, both on the inside and on the exterior walls of the warehouse, and particularly on doors and usual places of entry, in such a manner as will ordinarily be calculated to give the public correct notice of his tenancy of all buildings or parts thereof included in his license.

Par. 2. Such signs shall be of such size and design as to readily attract the attention of the public and shall include the following: (a) The name and license number of the licensee; (b) the name of the warehouse; (c) whether the warehouseman is owner or lessee; and (d) the words, "Public Warehouse."

Par. 3. Such other wording or lettering may appear in the sign or signs not inconsistent with the purpose of the act and these regulations, subject to the approval of the bureau.

Par. 4. Immediately upon its expiration, suspension, or revocation all reference to the license shall be removed from the warehouse.

Par. 5. No sign indicating control, tenancy, or ownership of a licensed warehouse by any person other than the licensee shall appear on any such warehouse.

SEC. 22. If the warehouseman considers that any cherries in brine in his warehouse are out of condition, or becoming so, he shall direct the licensed

inspector to examine the product in question, and if such inspector finds such product to be out of condition or becoming so, the warehouseman shall give immediate notice of the facts, in the manner and to the persons specified in section 23, paragraphs 1, 2, and 3 of this regulation.

SEC. 23. *Paragraph 1.* The notice required by section 22 of this regulation shall state (a) the warehouse in which the cherries in brine are stored; (b) the quantity, kind, and grade of the cherries in brine at the time the notice is given; (c) the actual condition of the cherries in brine as nearly as can be ascertained, and the reason, if known, for such condition; and (d) the outstanding receipts covering the cherries in question, giving the number and date of each such receipt and the quantity, the kind, and grade of the cherries as stated in each such receipt.

Par. 2. A copy of such notice shall be delivered in person or shall be sent by mail (a) to the persons holding the receipts if known to the warehouseman; (b) to the person who originally deposited the cherries in brine; (c) to any other persons known by the licensed warehouseman to be interested in the cherries in brine; (d) to the chief of the bureau; and (e) public notice shall also be given by posting a copy of such notice at the place where the warehouseman is required to post his license. If the holders of the receipts and the owners of the cherries in brine are known to the warehouseman and can not in the regular course of the mails be reached within 12 hours, the warehouseman shall, whether or not requested so to do, also immediately notify such persons by telegraph or telephone at their expense.

Par. 3. Any person interested in any cherries in brine or the receipt covering such cherries stored in a licensed warehouse may, in writing, notify the warehouseman of his interest, and such warehouseman shall keep a record of that fact. If such person requests in writing that he be notified regarding the condition of any such cherries in brine and agrees to pay the cost of any telegraph or telephone toll charge, such warehouseman shall notify such person in accordance with such request.

Par. 4. If the cherries in brine advertised in accordance with the requirements of this regulation have not been disposed of by the owner thereof within 10 days from the dispatch of notice of their being out of condition, the warehouseman may sell the same at public auction at the expense and for the account of the owner. Before such sale the warehouseman shall consult with proper State and Federal officials administering food and drug laws to ascertain whether the sale of the cherries in brine might violate either the State or Federal law.

Par. 5. Nothing contained in this section shall be construed as relieving the warehouseman from properly caring for any cherries in brine after sending notification of their condition in accordance with this section.

SEC. 24. SEC. 25. Except when it may be necessary to protect the cherries in brine because of an emergency, or as may be permitted by law or these regulations, a warehouseman shall not remove any cherries in brine from the warehouse, or the part thereof designated in the receipt, unless such receipt is first surrendered and canceled. If any cherries in brine are removed from the warehouse prior to the return and cancellation of the receipt, the warehouseman shall immediately notify the chief of the bureau of such removal and the necessity therefor.

SEC. 26. If at any time a fire shall occur at or within any licensed warehouse, it shall be the duty of the warehouseman to report immediately by telegraph to the chief of the bureau the occurrence of such fire and the extent of damage.

Each such licensee shall give preference to persons who request his services as such, over persons who request his services in any other capacity. No inspection, grade, or weight certificate shall be issued under the act for cherries in brine not stored or not to be stored in a licensed warehouse.

In addition, the grade certificate may include any other matter not inconsistent with the act or these regulations, provided the approval of the bureau is first secured.

SEC. 7. Each weight certificate issued under the act by a licensed weigher shall be in a form approved for the purpose by the bureau, and shall embody within its written or printed terms (a) the caption "United States Warehouse Act, Cherries in Brine Weight Certificate," (b) whether it is an original, a duplicate, or other copy, (c) the name and location of the warehouse in which the cherries in brine are or are to be stored, (d) the date of the certificate, (e) the location of the cherries in brine at the time of weighing, (f) the identification number or mark of each lot of cherries in brine, the identity of which is or is to be preserved, given in accordance with regulation 5, section 9, (g) the gross, tare, and net weight of the product, (h) that the certificate is issued by a licensed weigher, under the United States warehouse act and the regulations

SEC. 9. Each licensed inspector, grader, and weigher shall keep for a period of one year in a place accessible to persons financially interested in the cherries in brine a copy of each certificate issued by him under these regulations and shall file a copy of each such certificate with the warehouse in which the cherries in brine covered by the certificate are stored.

SEC. 10. Each licensed inspector, grader, and weigher shall permit any officer or agent of the department, authorized by the Secretary or his designated representative for the purpose, to inspect or examine at any time, his books, papers, records, and accounts relating to the performance of his duties under the act and these regulations and shall, with the consent of the warehouseman concerned, assist any such officer or agent in the inspection or examination of records mentioned in regulation 5, section 11, as far as any such inspection or examination relates to the performance of the duties of such licensed inspector, grader, or weigher under the act and these regulations.

SEC. 11. Each licensed inspector, grader, and weigher shall, from time to time, when requested by the bureau, make reports on forms furnished for the purpose by the bureau, bearing upon his activities as such inspector, grader, or weigher.

SEC. 12. Pending investigation, the Secretary, or his designated representative, may, whenever he deems necessary, suspend the license of an inspector, grader, or weigher temporarily without hearing. Upon a written request and a satisfactory statement of reasons therefor, submitted by the inspector, grader, or weigher, or when the inspector, grader, or weigher has ceased to perform such services at the warehouse, the Secretary, or his designated representative, may, without hearing, suspend or revoke the license issued to such inspector, grader, or weigher. The Secretary, or his designated representative, may, after hearing, when possible, has been afforded in the manner prescribed in this section, suspend or revoke a license issued to an inspector, grader, or weigher when such inspector, grader, or weigher has in any manner become incompetent or incapacitated to perform his duties. As soon as it shall come to the attention of a warehouseman that any of the conditions mentioned in this section exist, it shall be his duty to notify the bureau in writing. Before the license of any inspector, grader, or weigher, is suspended or revoked pursuant to section 12 of the act, such licensee shall be furnished by the Secretary, or his designated representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with regulation 10, section 4.

SEC. 13. *Paragraph 1.* If a license issued to an inspector, grader, or weigher is suspended or revoked, by the Secretary, or by his designated representative, it shall be returned to the Secretary. At the expiration of any period of suspension of a license unless in the meantime it be revoked, the dates of the beginning and termination of the suspension shall be indorsed thereon, and it shall be returned to the inspector, grader, or weigher to whom it was originally issued, and it shall be posted as prescribed in section 3 of this regulation.

Par. 2. Any license issued to an inspector, grader, or weigher shall automatically terminate as to any warehouse whenever the license of such warehouse shall be suspended or revoked. Thereupon the license of such inspector, grader, or weigher shall be returned to the Secretary. If such license is applicable to warehouses other than those for which the licenses have been suspended or revoked, the Secretary, or his designated representative, shall issue a new license to the inspector, grader, or weigher, omitting the names of the warehouses for which licenses have been so suspended or revoked. Such new licenses shall be posted as prescribed in section 3 of this regulation.

SEC. 14. Upon satisfactory proof of the loss or destruction of a license issued to an inspector, grader, or weigher, a duplicate thereof or a new license may be issued under the same or a new number.

SEC. 15. No person shall in any way represent himself to be an inspector, grader, or weigher licensed under the act unless he holds an unsuspended and unrevoked license issued under the act.

Regulation 8. Inspection, Grading, and Classification of Cherries in Brine

SECTION 1. Whenever the kind, grade, or other class or condition of cherries in brine is required to be or is stated for the purpose of the act and these regulations, it shall be stated in accordance with this regulation.

SEC. 2. Until such time as official marketing grades of the United States have been promulgated and are in effect, for the purpose of administering this act and these regulations, the kind and grade of cherries in brine shall be stated as far as applicable (a) in accordance with any tentative standards of the department; (b) in the absence of Federal standards in accordance with the State standards, if any, established in the State in which the warehouse is located, subject to the disapproval of the chief of bureau; (c) in the absence of any State standards, in accordance with the standards, if any, adopted by any cherries-in-brine organization or by the cherries-in-brine trade generally in the locality in which the warehouse is located, subject to the disapproval of the chief of the bureau; or (d) in the absence of aforesaid standards in accordance with any standards approved by the chief of the bureau.

SEC. 3. Whenever the kind, grade, or other class or condition of cherries in brine is stated for the purposes of this act and these regulations, the terms shall be correctly applied and shall be so selected as not to convey a false impression. In case of doubt as to the kind, grade, or condition of a given lot of cherries in brine, a determination shall be made of such facts by drawing samples fairly representative of the contents of the lot of cherries in brine offered for storage.

Regulation 9. Appeal of Grades

SECTION 1. *Paragraph 1.* If a question arises as to whether the kind, grade, or condition of the cherries in brine was correctly stated in a receipt or grade certificate issued under the act or these regulations, the warehouseman concerned or any person financially interested in the cherries in brine involved may, after reasonable notice to the other party, submit the question to the chief of the bureau who may appoint a committee to make a determination. The decision of the committee shall be final, unless the chief shall direct a review of the question. Immediately upon making its decision, the committee shall issue a certificate embodying its findings to the appellants and to the licensee or licensees involved.

Par. 2. If the decision of the committee be that the kind, grade, or condition was not correctly stated, the receipt or certificate involved shall be returned to and be canceled by the licensee who issued it, and the licensee shall issue in lieu thereof a new receipt or certificate embodying therein the statement of kind, grade, or condition in accordance with the findings of the committee.

Par. 3. All necessary and reasonable expenses of such determination shall be borne by the losing party, unless the chief of the bureau or his representative, shall decide that the expenses should be prorated between the parties.

Regulation 10. Miscellaneous

SECTION 1. Every person applying for a license or licensed under section 9 of the act, shall, as such, be subjected to all portions of these regulations except regulation 2, section 3, so far as they may relate to warehousemen. If there is a law of any State providing for a system of warehouses owned, operated, or leased by such State, a person applying for a license under section 9 of the act, to accept the custody of cherries in brine and to store the same in any of said warehouses may, in lieu of a bond or bonds, complying with regulation 3, sections 1 and 2, file with the Secretary a single bond meeting the requirements of the act and these regulations, in such form and in such amount not less than \$5,000, as he shall prescribe, to insure the performance by such person with respect to the acceptance of the custody of cherries in

brine and their storage in the warehouses in such system for which licenses are or may be issued, of his obligations arising during the periods of such licenses or amendments thereto. In fixing the amount of such bond consideration shall be given, among other appropriate factors, to the character of the warehouses involved, their actual or contemplated capacity, the bonding requirements of the State, and its liability with respect to such warehouses. If the Secretary, or his designated representative, shall find the existence of conditions warranting such action, there shall be added to the amount of the bond so fixed a further amount, fixed by him, to meet such conditions.

SEC. 2. Publications under the act and these regulations shall be made in such media as the chief of the bureau may from time to time designate.

SEC. 3. Every person licensed under the act shall immediately furnish the bureau any information which comes to the knowledge of such persons tending to show that any provision of the act or these regulations has been violated.

SEC. 4. For the purpose of a hearing under the act and these regulations, except regulation 9, the licensee involved shall be allowed a reasonable time, fixed by the Secretary, or his designated representative, within which affidavits and other proper evidence may be submitted. If requested by the licensee within such time, an oral hearing, of which reasonable notice shall be given, shall be held before, and at a time and place fixed by the Secretary, or his designated representative. The testimony of the witnesses at such oral hearing shall be upon oath or affirmation administered by the official before whom the hearing is held, when required by him. Such oral hearing may be adjourned by him from time to time. After reasonable notice to all parties concerned, the deposition of any witness may be taken at a time and place and before a person designated for the purpose by the Secretary, or his designated representative. Every written entry in the records of the department made by an officer or employee thereof in the course of his official duty, which is relevant to the issue involved in a hearing, shall be admissible as prima facie evidence of the facts stated therein without the production of such officer or employee. Copies of all papers and all the evidence submitted or considered in such hearing shall be made a part of the records of the department. The records and, when there has been an oral hearing other than by the Secretary, the recommendation of the official holding such oral hearing shall be transmitted to the Secretary for his consideration. Each party shall pay all expenses contracted by him in connection with any hearing under this section.

SEC. 5. A license may be issued for the storage of two or more agricultural products in a single warehouse or in one or more compartments in the same warehouse. Where such a license is desired, a single application, inspection, bond, record, report, or other paper, document, or proceeding relating to such warehouse, shall be sufficient unless otherwise directed by the chief of the bureau.

SEC. 6. Where such license is desired, the amount of the bond, net assets, and inspection and license fees shall be determined by the chief of the bureau in accordance with the regulations applicable to the particular agricultural product which would require the largest bond and the greatest amount of net assets and of fees applicable to the particular compartment or compartments to be licensed.

SEC. 7. Any amendment to, or revision of, these regulations, unless otherwise stated therein, shall apply in the same manner to persons holding licenses at the time it becomes effective as it applies to persons thereafter licensed under the act.

UNITED STATES WAREHOUSE ACT

[As amended July 25, 1919, February 23, 1923, and March 2, 1931, 39 United States Statutes at Large, page 486, 42 Stat. 1282, 46 Stat. 1465, 7 U. S. C. §§ 241-273]

That this Act shall be known by the short title of "United States Warehouse Act."

SEC. 2. That the term "warehouse" as used in this Act shall be deemed to mean every building, structure, or other protected inclosure in which any agricultural product is or may be stored for interstate or foreign commerce, or, if located within any place under the exclusive jurisdiction of the United States, in which any agricultural product is or may be stored. As used in this Act, "person" includes a corporation or partnership or two or more persons having a joint or common interest; "warehouseman" means a person lawfully engaged in the business of storing agricultural products; and "receipt" means a warehouse receipt.

SEC. 3. That the Secretary of Agriculture is authorized to investigate the storage, warehousing, classifying according to grade and otherwise, weighing, and certification of agricultural products; upon application to him by any person applying for license to conduct a warehouse under this Act, to inspect such warehouse or cause it to be inspected; at any time, with or without application to him, to inspect or cause to be inspected all warehouses licensed under this Act; to determine whether warehouses for which licenses are applied for or have been issued under this Act are suitable for the proper storage of any agricultural product or products; to classify warehouses licensed or applying for a license in accordance with their ownership, location, surroundings, capacity, conditions, and other qualities, and as to the kinds of licenses issued or that may be issued for them pursuant to this Act; and to prescribe, within the limitations of this Act, the duties of the warehousemen conducting warehouses licensed under this Act with respect to their care of and responsibility for agricultural products stored therein.

SEC. 4. That the Secretary of Agriculture, or his designated representative, is authorized, upon application to him, to issue to any warehouseman a license for the conduct of a warehouse or warehouses in accordance with this Act and such rules and regulations as may be made hereunder: *Provided*, That each such warehouse be found suitable for the proper storage of the particular agricultural product or products for which a license is applied for, and that such warehouseman agree, as a condition to the granting of the license, to comply with and abide by all the terms of this Act and the rules and regulations prescribed hereunder.

SEC. 5. That each license issued under Sections 4 and 9 of this Act shall terminate as therein provided, or in accordance with the terms of this Act and the regulations thereunder, and may from time to time be modified or extended by a written instrument.

SEC. 6. That each warehouseman applying for a license to conduct a warehouse in accordance with this Act shall, as a condition to the granting thereof, execute and file with the Secretary of Agriculture a good and sufficient bond to the United States to secure the faithful performance of his obligations as a warehouseman under the terms of this Act and the rules and regulations prescribed hereunder, and of such additional obligations as a warehouseman as may be assumed by him under contracts with the respective depositors of agricultural products in such warehouse. Said bond shall be in such form and amount, shall have such surety or sureties, subject to service of process in suits on the bond within the State, District, or Territory in which the warehouse is located, and shall contain such terms and conditions as the Secretary of Agriculture may prescribe to carry out the purposes of this Act, and may, in the discretion of the Secretary of Agriculture, include the requirements of

fire and/or other insurance. Whenever the Secretary of Agriculture, or his designated representative, shall determine that a previously approved bond is, or for any cause has become, insufficient, he may require an additional bond or bonds to be given by the warehouseman concerned, conforming with the requirements of this section, and unless the same be given within the time fixed by a written demand therefor the license of such warehouseman may be suspended or revoked.

SEC. 7. That any person injured by the breach of any obligation to secure which a bond is given, under the provisions of Section 6 or 9, shall be entitled to sue on the bond in his own name in any court of competent jurisdiction to recover the damages he may have sustained by such breach.

SEC. 8. That upon the filing with and approval by the Secretary of Agriculture, or his designated representative, of a bond, in compliance with this Act, for the conduct of a warehouse, such warehouse may be designated as bonded hereunder; but no warehouse shall be designated as bonded under this Act, and no name or description conveying the impression that it is so bonded shall be used until a bond, such as provided for in section 6, has been filed with and approved by the Secretary of Agriculture, or his designated representative, nor unless the license issued under this Act for the conduct of such warehouse remains unsuspended and unrevoked.

SEC. 9. That the Secretary of Agriculture, or his designated representative, may, under such rules and regulations as he shall prescribe, issue a license to any person not a warehouseman to accept the custody of agricultural products, and to store the same in a warehouse or warehouses owned, operated, or leased by any State, upon condition that such person agree to comply with and abide by the terms of this Act and the rules and regulations prescribed hereunder. Each person so licensed shall issue receipts for the agricultural products placed in his custody, and shall give bond, in accordance with the provisions of this Act, and the rules and regulations hereunder affecting warehousemen licensed under this Act, and shall otherwise be subject to this Act, and such rules and regulations, to the same extent as is provided for warehousemen licensed hereunder.

SEC. 10. That the Secretary of Agriculture, or his designated representative, may charge, assess, and cause to be collected a reasonable fee for every examination or inspection of a warehouse under this Act when such examination or inspection is made upon application of a warehouseman, and for each license issued to a warehouseman or to any person to classify, inspect, grade, sample, and/or weigh agricultural products stored or to be stored under the provisions of this Act, the Secretary of Agriculture, or his designated representative, may charge, assess, and cause to be collected a reasonable fee. All such fees shall be deposited and covered into the Treasury as miscellaneous receipts.

SEC. 11. That the Secretary of Agriculture, or his designated representative, may upon presentation of satisfactory proof of competency, issue to any person a license to inspect, sample, or classify any agricultural product or products, stored or to be stored in a warehouse licensed under this Act, according to condition, grade, or otherwise and to certificate the condition, grade, or other class thereof, or to weigh the same and certificate the weight thereof, or both to inspect, sample, or classify and weigh the same and to certificate the condition, grade, or other class and the weight thereof, upon condition that such person agree to comply with and abide by the terms of this Act and of the rules and regulations prescribed hereunder so far as the same relate to him.

SEC. 12. That any license issued to any person to inspect, sample, or classify, or to weigh any agricultural product or products under this Act may be suspended or revoked by the Secretary of Agriculture, or his designated representative, whenever he is satisfied, after opportunity afforded to the licensee concerned for a hearing, that such licensee has failed to inspect, sample, or classify, or to weigh any agricultural product or products correctly, or has violated any of the provisions of this Act or of the rules and regulations prescribed hereunder, so far as the same may relate to him, or that he has used his license or allowed it to be used for any improper purpose whatever. Pending investigation, the Secretary of Agriculture, or his designated representative, whenever he deems necessary, may suspend a license temporarily without hearing.

SEC. 13. That every warehouseman conducting a warehouse licensed under this Act shall receive for storage therein, so far as its capacity permits, any

agricultural product of the kind customarily stored therein by him which may be tendered to him in a suitable condition for warehousing, in the usual manner in the ordinary and usual course of business, without making any discrimination between persons desiring to avail themselves of warehouse facilities.

Sec. 14. That any person who deposits agricultural products for storage in a warehouse licensed under this Act shall be deemed to have deposited the same subject to the terms of this Act and the rules and regulations prescribed hereunder.

Sec. 15. That any fungible agricultural product stored for interstate or foreign commerce, or in any place under the exclusive jurisdiction of the United States, in a warehouse licensed under this Act shall be inspected and graded by a person duly licensed to grade the same under this Act.

Sec. 16. That every warehouseman conducting a warehouse licensed under this Act shall keep the agricultural products therein of one depositor so far separate from agricultural products of other depositors, and from other agricultural products of the same depositor for which a separate receipt has been issued, as to permit at all times the identification and redelivery of the agricultural products deposited; but if authorized by agreement or by custom, a warehouseman may mingle fungible agricultural products with other agricultural products of the same kind and grade, and shall be severally liable to each depositor for the care and redelivery of his share of such mass, to the same extent and under the same circumstances as if the agricultural products had been kept separate, but he shall at no time while they are in his custody mix fungible agricultural products of different grades.

Sec. 17. That for all agricultural products stored for interstate or foreign commerce, or in any place under the exclusive jurisdiction of the United States, in a warehouse licensed under this Act original receipts shall be issued by the warehouseman conducting the same, but no receipts shall be issued except for agricultural products actually stored in the warehouse at the time of the issuance thereof.

Sec. 18. That every receipt issued for agricultural products stored in a warehouse licensed under this Act shall embody within its written or printed terms (a) the location of the warehouse in which the agricultural products are stored; (b) the date of issue of the receipt; (c) the consecutive number of the receipt; (d) a statement whether the agricultural products received will be delivered to the bearer, to a specified person, or to a specified person or his order; (e) the rate of storage charges; (f) a description of the agricultural products received, showing the quantity thereof, or, in case of agricultural products customarily put up in bales or packages, a description of such bales or packages by marks, numbers, or other means of identification and the weight of such bales or packages; (g) the grade or other class of the agricultural products received and the standard or description in accordance with which such classification has been made: *Provided*, That such grade or other class shall be stated according to the official standard of the United States applicable to such agricultural products as the same may be fixed and promulgated under authority of law: *Provided further*, That until such official standards of the United States for any agricultural product or products have been fixed and promulgated, the grade or other class thereof may be stated in accordance with any recognized standard or in accordance with such rules and regulations not inconsistent herewith as may be prescribed by the Secretary of Agriculture; (h) a statement that the receipt is issued subject to the United States warehouse Act and the rules and regulations prescribed thereunder; (i) if the receipt be issued for agricultural products of which the warehouseman is owner, either solely or jointly or in common with others, the fact of such ownership; (j) a statement of the amount of advances made and of liabilities incurred for which the warehouseman claims a lien: *Provided*, That if the precise amount of such advances made or of such liabilities incurred be at the time of the issue of the receipt unknown to the warehouseman or his agent who issues it, a statement of the fact that advances have been made or liabilities incurred and the purpose thereof shall be sufficient; (k) such other terms and conditions within the limitations of this Act as may be required by the Secretary of Agriculture; and (l) the signature of the warehouseman, which may be made by his authorized agent: *Provided*, That unless otherwise required by the law of the State in which the warehouse is located, when requested by a depositor of other than fungible agricultural products, a receipt omitting compliance with subdivision (g) of this section

may be issued: *Provided, however*, The Secretary of Agriculture may in his discretion require that such receipt have plainly and conspicuously embodied in its written or printed terms a provision that such receipt is not negotiable.

SEC. 19. That the Secretary of Agriculture is authorized, from time to time, to establish and promulgate standards for agricultural products by which their quality or value may be judged or determined: *Provided*, That the standards for any agricultural products which have been, or which in future may be, established by or under authority of any other Act of Congress shall be, and are hereby, adopted for the purposes of this Act as the official standards of the United States for the agricultural products to which they relate.

SEC. 20. That while an original receipt issued under this Act is outstanding and uncanceled by the warehouseman issuing the same no other or further receipt shall be issued for the agricultural product covered thereby or for any part thereof, except that in the case of a lost or destroyed receipt a new receipt, upon the same terms and subject to the same conditions and bearing on its face the number and date of the receipt in lieu of which it is issued, may be issued upon compliance with the statutes of the United States applicable thereto in places under the exclusive jurisdiction of the United States or upon compliance with the laws of any State applicable thereto in any place not under the exclusive jurisdiction of the United States: *Provided*, That if there be in such case no statute of the United States or law of a State applicable thereto such new receipts may be issued upon the giving of satisfactory security in compliance with the rules and regulations made pursuant to this Act.

SEC. 21. That a warehouseman conducting a warehouse licensed under this Act, in the absence of some lawful excuse, shall, without unnecessary delay, deliver the agricultural products stored therein upon a demand made either by the holder of a receipt for such agricultural products or by the depositor thereof if such demand be accompanied with (a) an offer to satisfy the warehouseman's lien; (b) an offer to surrender the receipt, if negotiable, with such endorsements as would be necessary for the negotiation of the receipts; and (c) a readiness and willingness to sign, when the products are delivered, an acknowledgment that they have been delivered if such signature is requested by the warehouseman.

SEC. 22. That a warehouseman conducting a warehouse licensed under this Act shall plainly cancel upon the face thereof each receipt returned to him upon the delivery by him of the agricultural products for which the receipt was issued.

SEC. 23. That every warehouseman conducting a warehouse licensed under this Act shall keep in a place of safety complete and correct records of all agricultural products stored therein and withdrawn therefrom, of all warehouse receipts issued by him, and of the receipts returned to and canceled by him, shall make reports to the Secretary of Agriculture concerning such warehouse and the condition, contents, operation, and business thereof in such form and at such times as he may require, and shall conduct said warehouse in all other respects in compliance with this Act and the rules and regulations made hereunder.

SEC. 24. That the Secretary of Agriculture is authorized to cause examinations to be made of any agricultural product stored in any warehouse licensed under this Act. SEC. 25. That the Secretary of Agriculture, or his designated representative, may, after opportunity for hearing has been afforded to the licensee concerned, suspend or revoke any license to any warehouseman conducting a warehouse under this Act, for any violation of or failure to comply with any provision of this Act or of the rules and regulations made hereunder, or upon the ground that unreasonable or exorbitant charges have been made for services rendered. Pending investigation, the Secretary of Agriculture, or his designated representative, whenever he deems necessary, may suspend a license temporarily without hearing.

SEC. 26. That the Secretary of Agriculture from time to time may publish the results of any investigations made under Section 3 of this Act; and he shall publish the names and locations of warehouses licensed and bonded and the names and addresses of persons licensed under this Act and lists of all licenses terminated under this Act and the causes therefor.

SEC. 30. That every person who shall forge, alter, counterfeit, simulate, or falsely represent, or shall without proper authority use, any license issued by the Secretary of Agriculture, or his designated representative, under this Act, or who shall violate or fail to comply with any provision of Section 8 of this Act, or who shall issue or utter a false or fraudulent receipt or certificate, or change in any manner an original receipt or certificate subsequently to issuance by a licensee, or any person who, without lawful authority, shall convert to his own use, or use for purposes of securing a loan, or remove from a licensed warehouse contrary to this Act or the regulations promulgated thereunder, any agricultural products stored or to be stored in such warehouse, and for which licensed receipts have been or are to be issued, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not more than \$10,000, or double the value of the products involved if such double value exceeds \$10,000, or imprisoned not more than ten years, or both, in the discretion of the court, and the owner of the agricultural products so converted, used, or removed may, in the discretion of the Secretary of Agriculture, be reimbursed for the value thereof out of any fine collected hereunder, by check drawn on the Treasury at the direction of the Secretary of Agriculture, for the value of such products to the extent that such owner has not otherwise been reimbursed. That any person who shall draw with intent to deceive, a false sample of, or who shall willfully mutilate or falsely represent a sample drawn under this Act, or who shall classify, grade, or weigh fraudulently, any agricultural products stored or to be stored under the provisions of this Act, shall be deemed guilty of a misdemeanor, and upon conviction thereof fined not more than \$500, or imprisoned for not more than six months, or both, in the discretion of the court.

SEC. 32. That if any clause, sentence, paragraph, or part of this Act shall, for any reason, be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment shall have been rendered.
